

STATE OF MONTANA DEFERRED COMPENSATION PLAN MOBILE WEB APPLICATION

Bright tomorrows begin today.®

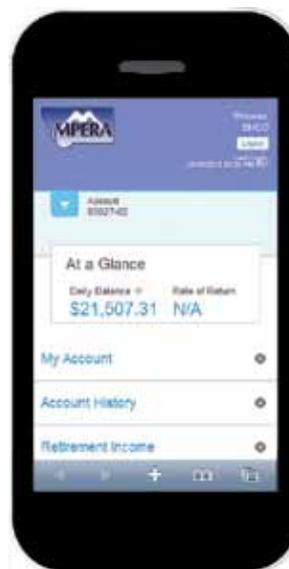

GOING MOBILE

With 56% of American adults now owning a smartphone, accessing key information on mobile devices is becoming a way of life.¹ And now, your mobile device can help you track your retirement readiness—anytime, anywhere.

The State of Montana Deferred Compensation Plan has launched a mobile web application (“mobile web app”) that can help put your retirement readiness at the tip of your fingers. With your retirement account in the palm of your hands, you’ll be able to:

- » View your projected retirement income²
*Brought to you by Advised Assets Group, LLC
a registered investment adviser*
- » Check your account balance and history
- » See your paycheck contribution amount
- » Look at your current rate of return
- » Review the investment options in your portfolio

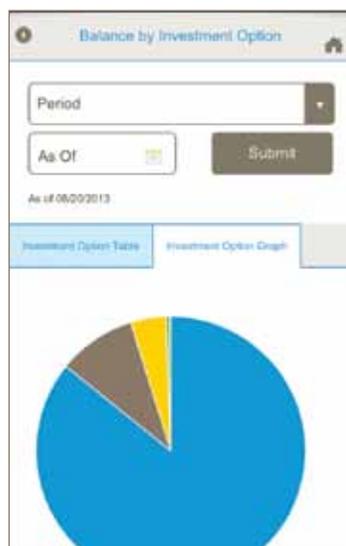

There is also a link to the full website on every page of the mobile web app, so with one tap you can go to the full desktop site to complete transactions.

FOR ILLUSTRATIVE PURPOSES ONLY

To access the mobile web application, you must be a registered user on the full version of the website. It’s quick and easy to register. Simply visit www.mperadcplans.com and go to “First Time Visiting.”

ON THE GO

Now you are all set to monitor your retirement plan wherever you go. Using your mobile device, visit www.mperadcplans.com and the mobile web app will automatically launch for you. And to make it even easier, you can bookmark the site or create a shortcut icon on your mobile desktop for quick access. Refer to the “Add an Icon” link on the mobile web app if you need instructions to create the shortcut icon.

The convenience of accessing your retirement plan account anytime, anywhere, means you have the information you need to help make smart financial decisions that benefit your overall retirement readiness. Mobile technology has become a part of everyday life, and now the State of Montana Deferred Compensation Plan mobile web application helps put your retirement readiness in good hands—your own.
